

Groveport Elementary SCHOOL SUPPLY DRIVE

DONATE SUPPLIES BY AUGUST 21ST

Help us fill backpacks with hope! Join us this August as we collect school supplies for students at Groveport Elementary School. Your donations will help local children start the school year with the tools they need to learn, grow, and succeed.

School supplies may be dropped off any time before August 21st in the collection box located at the Front Desk. Every donation, big or small, makes a meaningful difference. Thank you for helping us support our community and invest in the next generation! Questions? Please contact Katie VanOrmer, Activity Director, at (614) 836-5990.
